San Antonio, TX

OVERVIEW

You are invited to attend the 17th South Central Regional Conference: The Power of Advocacy: Be Seen. Be Heard. Be Counted. This unique event provides participants with the opportunity to explore different facets of nursing and patient advocacy in one place. The presentations are focused on nursing advocacy, protecting and promoting the nursing profession, working to address issues such as nurse burnout and the nursing shortage crisis in addition to advocating for patient rights.

Learning Objectives:

1. Summarize conflict management strategies to improve healthcare team performance and patient outcomes.
2. Discuss effective mentoring strategies to advocate for nursing leadership.
3. Outline effective membership recruitment, engagement, and retention strategies used in different chapters.
