

S P A R IN TO ACTION IN THE NEW NORMAL

Stories of People, Achievement, Resilience, Kindness, Equity and Diversity

42ND PNAA ANNUAL NATIONAL CONVENTION AND 2ND VIRTUAL CONFERENCE

July 21-25, 2021

Presented by the Philippine Nurses Association of America (PNAA) Hosted by the Philippine Nurses Association of New England (PNA-NE)

CONFERENCE OVERVIEW

PNAA together with the rest of our 55 chapters throughout the United States, are committed to providing an educational experience that showcases excellence in leadership and exemplary practice in various specialty fields.

Our speakers are recognized leaders, subject matter experts, and renowned industry leaders in the country. Through PNA-NE national collaboration with PNAA, we are excited to bring this conference virtually at the comfort of your home or workplace across the United States and globally.

Our theme, "SPARKED to Action in the New Normal" – Stories of People, Achievement, Resilience, Kindness, Equity and Diversity in the New Normal – will ignite attendees' senses with new knowledge and experience essential to providing respite and connection for all of us during this pandemic crisis.

REGISTRATION

& FEES

Register before June 21^{ST:}

\$50 PNAA Member | \$60 Non-Member

Register after June 21ST:

\$60 PNAA member | \$70 Non-Member

Student Fee: \$25 (pre-licensed student with university email)

LEADERSHIP INSTITUTE, CLINICAL UPDATES, AND EDUCATION OBJECTIVES

At the end of the leadership institute and education conference, the participant will be able to:

- describe the leadership competencies needed to thrive and succeed in a health care environment challenged by the COVID-19 pandemic.
- identify areas of, and opportunities for professional and personal development needed to adapt and succeed in the "new normal."
- discuss evidence-based strategies and empowerment opportunities that will address the social and health inequities amplified by the COVID-19 pandemic.

At the end of the clinical updates meeting, the participant will be able to:

- describe how climate change contributes to human illness especially among the minority population.
- explain how telehealth can improve patient access to healthcare and enhance the delivery of care during the crisis.
